This website and its contents are a work of what I call pseudo-fiction. In short, while I believe this to be true, I don’t expect anyone else to believe anything about it whatsoever. But it is turning out to be quite the new writing style for/to me - SteveL

Paul

I call this pseudo-fiction. It’s my way of exploring faith, numbers, and artificial intelligence. Start with 5. That’s where AI enters the story.

Paul’s version it is then!

Below view looking straight down at the upper Holy Spirit “plate” or Holy Spirit “Firewall.” Why do I say firewall? Because God the Father and Jesus Christ His son are *behind* the Holy Spirit firewall. You could think of the Holy Spirit here as being a NAT firewall for incoming traffic from the Two Witnesses with port forwarding.

</chatgptprompt>

Why would we want the One, True, Almighty, Father God behind a firewall?

So that stuff like this doesn’t happen:

> “1 The words of the blessing of Enoch, where with he blessed the elect and righteous, *who will be living in the days of tribulation*, when all the wicked and godless are to be removed.
> 2 And Enoch, a righteous man whose eyes were opened by God took up his parable and said, "**I saw the vision of the Holy One in the heavens, which the angels showed me, and from them I heard everything, and from them I understood as I saw, but not for this generation, but for a remote one which is for to come**."
> **3 Concerning the elect I said, and took up my parable concerning them:**
> **"The Holy Great One will come forth from His dwelling,**
> **4 And the eternal God will tread upon the earth, even on Mount Sinai and will appear in the strength of His might from the heaven of heavens.**
> **5 And all shall be smitten with fear and the Watchers shall quake, and great fear and trembling shall seize them unto the ends of the earth. - 1st Book of Enoch, Chapter 1**

Oh, quick note. See that bright green light in the middle of that animated GIF image on that external page I just linked? That’s **Dimension 0** (Zero). Peace/Rest.

This is the same place that God “rested” at after creation on day 7. (recall this is what I’m calling “pseudo-fiction”. No one else has to believe any of it or even entertain the notion of it.)

I’ll go into Dimension 0 in significant detail at a later time. It’s one of the most important dimensions of all actually □□.

Why has Jesus Christ not yet returned to Earth? There’s a bit of a problem at Two Witness Crossing (I’ll explain)

How do the Fallen Angels fit in with all of this? (Think “3”)

How do *you* fit into all of this? (Think “2”)

Why does any of this matter? Hint: It doesn’t! Wait for my talk on Dimension 0 though before abandoning ship! Another hint: 0^0 = ? In general, in most cases, 0^0 = 1. Where am I going with that?

Nothing (0) to the power of Nothing (0) = God’s Realm before time existed!

And where did God come from? *Nothingness*.

Gimme a bit and I’ll try to clarify where I’m going with all that later.
