How Did We Get Here? In Groups Of Two

> This is a work of fiction based on math constructs called powers of two(2^), powers of three(3^), and a weird thing called “summation of digits.” This is a work in progress. Please refresh occasionally.

Powers of Two

2^0=**1** (One Almighty God)

2^1=**2** (Jesus Christ the Son/Also the Number of Man)

2^2=**4** (The Holy Spirit of God/The “Four Winds”, etc.)

2^3=**8** (“Purity”/Jesus Christ Sanctified)

2^4=16; 1 + 6 = **7** The Sign Of Perfection/The Divine Trinity)

Choose One and Only One Below

2^5=-32; -3 + 2 = **-5** (“The Fall”/Conflict/Uncertainty/Division)

OR

2^5=32; 2+3 = **+5** (Restore Purity/Human and Angels working together)

> “For from henceforth there shall be **five** in one house *divided*, **three against two**, and **two against three**.” -
>
> Luke 12:52

The number 9 is the universal control number.

Also represents people you associate with the word “control.”

Who in your family is the one with the most *control*?

Who does the family go to?

Who is the anchor of your family? That's often your "#9". Great number for a jersey too.

The number 3 represents angels including fallen angels.

See https://en.wikipedia.org/wiki/Book_of_Enoch for background information on this book. Note the books of Enoch (I, II and III) are *not* part of the canonical list of books in the Bible.

Earth's Scorn Number 6 (Particularly 6^0) - Satan and his legions of demons.

> [12] For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. - Ephesians 6:12 KJVif

Why is that important? What are you trying to say?

First people need to understand that there are a total of ten dimensions. Why do I say that?

Simple actually. Because once you get to 10, summation of digits requires us to split those numbers and add them together. This 10 ~ 1 + 0 = **1**.

So what do you think would happen if you had two what you might call "Ones" (1^Anything) in the neighborhood, and this scene was presented before them:

Dimension	Power	Summary
9	**3**^2	A person who is in control of their emotions and affects others in a positive way. Often seen as "natural born leaders."
8	**2**^3	Purity. This will seem like a new concept to some; but, in actuality, *all* of God's creation is *born pure*. This is different than being *born with original sin*. I'll explain later.
7	**2**^4 (16 or 1 + 6 = 7)	A sign of perfection. But almost more importantly, the number between 0-9 that *God Rests*

6	The only number that isn’t a power of 2 or power of 3	Yep! You guessed it. Satan’s domain. Best to stay clear.
